The various disciplines of the World Roller Games have combined men's and women's competitions; therefore, men's and women's matches shall be played at the same time during the same session.

The different competitions consist of qualifying rounds, so that the playing order for any given day can only be announced the night before. Consequently, you cannot buy a ticket in advance to attend the match of a specific team or selection.

Spectators shall be able to enter the venue at the beginning of the session for which they have bought their tickets.

At the end of the final match or exhibition in the session, the general public shall be cleared from the venue so that people with tickets for the next session can enter.

Each person can attend with only one companion. Please contact the ticket sales department at the following email address to buy this type of ticket: ticketing@wrg2019.org.

Premium ticket: These tickets are exclusive for the sessions at Palau Sant Jordi (Skateboarding, Scooter, Roller Freestyle, Artistic) and Palau Blaugrana (Rink Hockey). All tickets must be validated before entering the venues. Conversely, if your ticket is not validated, you shall not be allowed to enter the venue.

Even if several copies of the ticket are printed, only the first ticket that is presented and validated at entrance control points shall be considered valid, and under no circumstances shall entry be permitted for those people attempting to enter later bearing the same ticket. Remember that you may be asked to show the bank card you used to buy your ticket when entering the venue (only in the case of justified suspicions of fraudulent use of the ticket(s)), so you must carry this with you during your time in the venue.

Ticket buyers assume all responsibility in the event that the ticket is presented as a duplicate, photocopy or falsification, thereby losing all rights granted by it to enter the premises.
